REMARKS

25X1

On 3 May 1951, no aircraft were seen at Frankfurt/Oder-Kunersdorf (O 53/V 73) airfield. There were two runways each about 20 x 1,200 meters. One runway extended from north to south and the other from east to west. One hangar was destroyed and another had no doors. There were two intact four-story barracks buildings which seemed to be unoccupied. \*

25X1

25X1 \* [REDACTED] Comment. It is believed that courier planes occasionally land at the airfield, which is apparently in operational condition. [REDACTED]
